**Subject:** Prosecute Ballmer and Microsoft For Illegal Lobbying

I just read Kristi Heim's newspaper article in the San Jose Mercury News detailing claims by former senator John Tunney that Microsoft is once again acting illegally in inadequately disclosing lobbying efforts to influence the antitrust case against it.

There are too many allegations of corruption at Microsoft. I request that a tough prosecutor be put in charge to get to the bottom of this issue and to prosecute those at Microsoft responsible. It is clearly in the public interest to send a message to Microsoft regarding lawful behavior. Put Mr. Ballmer and company in jail if necessary.
